Caruso's Grocery is a love letter to the simple, classic, Italian-American restaurants that provided our fondest childhood memories of what a restaurant could be. In different ways and in different parts of the country, we each had our own, intimate experiences of the food and culture that Italian immigrants brought to their new home. As they became Americans, they changed and enriched America. We hope you'll join us in raising a glass to celebrate them and all of the immigrant communities who continue to enliven and enrich our shared culture and our experience of eating and drinking in this, their adopted home.
